

Welcome Friend,

Congratulations on taking the first step in becoming a member of the Well Life Society and a partner of the Centre for Restoration and Repurposing. Where we bring structure and direction to your ingenuity, influence and creativity for the work of the Ministry.

Let's talk about Marketplace Ministry, its meaning and its biblical foundation.

Paul was anointed with a special grace for a special ministry that was outside of the status quo for his time. Romans Chapter 15 explains how he was sent to the gentiles to be a light to them and to make The Way clear for them. But Paul had to go with a dialect and in a method that they were able to receive.

We offer this consulting in partnership with Well Life Society to help you identify and shape what the Lord Jesus has invested in you by His Spirit.
